Dear

I will come back to you on the other matters, in the interim here is proof of payment of the £50,000 prize. Firstly, the bank extract referencing the cheque being cashed and, below the recipients details. We paid by cheque and the gentleman came into the office to collect it as when I called him he was skeptical and would not give me his bank details:

12 JUL 2016 Cheque GBP 50,000.00 0.00

I would be happy to email him to obtain confirmation if you need anything further. My emails to him of the time seem to have been deleted from our system.

Antonia
