## **Committees**

## **Conferences and Campaigning**

During 2020 we continued the fight for Scottish Independence and supported campaigns against oppression and injustice across the world.

We also continued to support Hope Over Fear's campaign and its call for another referendum. Solidarity members and branches helped organise Online campaigns against the Tory Government's reactionary policies, particularly on asylum seekers, Trident renewal, and the undemocratic opposition to a second referendum on Scottish independence. Solidarity has been prominent in support of industrial struggles, particularly fighting cuts across the public sector and supporting campaigns for equal pay.

### **STATEMENT OF TREASURER'S RESPONSIBILITIES**

#### **YEAR ENDED 31 December 2020**

As Treasurer I am aware of my responsibilities under the Political Parties 2000 Act to prepare financial statements each year which give a true and fair view of the state of affairs of the party and of its surplus or deficit. In preparing these accounts I have, I believe, adhered to the appropriate accounting policies.

I judge that the party's situation is such that accounts can be prepared on an on-going basis.

I have kept adequate records as required by Section 41 of the above act.

I declare that the information provided in the statement of accounts is true and accurate to the best of my belief.

John Park
