FOR THE YEAR ENDED 31 DECEMBER 2022**

The officers present their strategic report for the year ended 31 December 2022.

REVIEW OF POLITICAL ACTIVITIES

We went into 2022 in a strong political, operational and financial position. Our two Westminster byelection wins and the changes we made to our structures and ways of working during the pandemic had given us strong foundations.

Politically we made good progress.

In May's local elections we had net gains of 224 seats across England, Scotland and Wales, more than any other party. This was the fourth consecutive increase year on year - a feat we haven't achieved since before 2010.

In June we won the Tiverton and Honiton Westminster by-election. Our campaign built on the approach and teams we'd put in place over the two by-elections in 2021, and we set a new record in British political history: the Conservative Party's 24,239-vote majority was the largest ever overturned in a by-election.

As well as a substantial political gain, these two election results confirmed that the underlying changes to how we work over the past two years have borne fruit.

We had planned to run our first in-person Conference in Autumn 2023, but the period of national mourning led us to cancel this, resulting in an unplanned financial loss; nevertheless it was the right thing to do.

We ended the year in an even stronger position than we started. We hit our budget targets, showing that we can manage our finances well even in a period of great uncertainty.

Our internal operational performance continues to improve. And we have modernised many of our underlying technology systems, giving us greater capability to respond to voters' hopes and aspirations. Despite the cost of living challenges facing every organisation with a high proportion of payroll spend, our staff satisfaction has increased to record levels.

Our media and social profile has also continued to grow: we are firmly in people's minds as a continued threat to Conservatives taking people for granted, we have shown we can win councils from Labour, and our campaigns on sewage and health have had media cut through.

We go into 2023 confident of sustained success in local elections in May, and with eyes firmly on a General election in 2024.

**REPORT OF THE INDEPENDENT AUDITORS TO THE FEDERAL CONFERENCE OF THE LIBERAL DEMOCRATS
(THE FEDERAL PARTY)**

Opinion

We have audited the financial statements of The Liberal Democrats (The Federal Party) ('The Federal Party') for the year ended 31 December 2022 which comprise the Income Statement, the Balance Sheet, the Cash Flow Statement, the notes to the cashflow statement and the notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is the Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' applicable law and the Statement of Accounts Guidance Notes issued by the Electoral Commission.

In our opinion, the financial statements:

- give a true and fair view of the state of The Federal Party's affairs as at 31 December 2022 and of its deficit for the year then ended;
- have been properly prepared in accordance with the Statement of Accounts Guidance Notes issued by the Electoral Commission; and
- have been prepared in accordance with the requirements of the Political Parties, Elections and Referendums Act 2000.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of The Federal Party in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that The Federal Party's use of the going concern basis of accounting in the preparation of the financial statements is appropriate. Our evaluation of the Registered Treasurer's assessment of The Federal Party's ability to continue to adopt the going concern basis of accounting included in auditing the financial statements, we have concluded that the Federal Party's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Federal Party's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Registered Treasurer with respect to going concern are described in the relevant sections of this report.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on The Federal Party's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Registered Treasurer with respect to going concern are described in the relevant sections of this report.

Other information

The Registered Treasurer is responsible for the other information. The other information comprises the information included in the Annual Report other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

**REPORT OF THE INDEPENDENT AUDITORS TO THE FEDERAL CONFERENCE OF THE LIBERAL DEMOCRATS
(THE FEDERAL PARTY)**

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Responsibilities of the Registered Treasurer

As explained more fully in the statement of Registered Treasurer's responsibilities set out on page 5, the Registered Treasurer is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Registered Treasurer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Registered Treasurer is responsible for assessing The Federal Party's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Registered Treasurer intends to liquidate The Federal Party or to cease operations, or has no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. Based on our understanding of the Federal Party and its activities, we identified that the principal risks of non-compliance with laws and regulations related to UK tax legislation, pensions legislation, employment regulation and health and safety regulation, anti-bribery, corruption and fraud, money laundering, non-compliance with implementation of government support schemes relating to COVID-19, and we considered the extent to which non-compliance might have a material effect on the financial statements. We also considered those laws and regulations that have a direct impact on the preparation of the financial statements, such as the Political Parties, Elections and Referendums Act 2000.

We evaluated the Registered Treasurer's and management's incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of override of controls) and determined that the principal risks were related to posting manual journal entries to manipulate financial performance, management bias through judgements and assumptions in significant accounting estimates, in particular in relation to significant one-off or unusual transactions.

Our audit procedures were designed to respond to those identified risks, including non-compliance with laws and regulations (irregularities) and fraud that are material to the financial statements. Our audit procedures included but were not limited to:

- Discussing with the Registered Treasurer and management their policies and procedures regarding compliance with laws and regulations;
- Communicating identified laws and regulations throughout our engagement team and remaining alert to any indications of non-compliance throughout our audit; and
- Considering the risk of acts by the Federal Party which were contrary to applicable laws and regulations, including fraud.

**REPORT OF THE INDEPENDENT AUDITORS TO THE FEDERAL CONFERENCE OF THE LIBERAL DEMOCRATS
(THE FEDERAL PARTY)**

Our audit procedures in relation to fraud included but were not limited to:

- Making enquiries of the Registered Treasurer and management on whether they had knowledge of any actual, suspected or alleged fraud;
- Gaining an understanding of the Internal controls established to mitigate risks related to fraud;
- Discussing amongst the engagement team the risks of fraud; and
- Addressing the risks of fraud through management override of controls by performing journal entry testing.

There are inherent limitations in the audit procedures described above and the primary responsibility for the prevention and detection of irregularities including fraud rests with management. As with any audit, there remained a risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal controls.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Auditors.

Use of our report

This report is made solely to the Federal Conference of the Liberal Democrats (The Federal Party) as a body in accordance with section 43 of the Political Parties, Elections and Referendums Act 2000. Our audit work has been undertaken so that we might state to the Federal Conference of the Liberal Democrats (The Federal Party) those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Federal Conference of the Liberal Democrats (The Federal Party) as a body for our audit work, for this report, or for the opinions we have formed.

FOR THE YEAR ENDED 31 DECEMBER 2022**

1. STATUTORY INFORMATION

The Liberal Democrats (The Federal Party) is unincorporated association and is a federation constituted by the Scottish Liberal Democrats, the Welsh Liberal Democrats (Democratiaid Rhyddfrydol Cymru) and the Liberal Democrats in England (together, "The State Parties"). The Liberal Democrats in England is a federation of the Regional Parties in England. The Regional Parties comprise a number of Local Parties.

The Liberal Democrats (The Federal Party) is constituted under section 26 of the Political Parties, Elections and Referendums Act 2000 as a central organisation with 417 accounting units. Details of these units are available from party headquarters.

These financial statements deal solely with the activities of the Federal Party as set out in Article 2 of the Constitution of the Federal Party. They do not include the income, expenditure, assets or liabilities of the State, Regional, Local Parties, or any other bodies.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

The Liberal Democrats (The Federal Party) is not incorporated in law and is thus not bound by the Companies Act 2006. The Party is required to prepare financial statements in accordance with the Political Parties, Elections and Referendums Act 2000 ("PPERA"). The financial statements have been prepared under the historical cost convention, and in accordance with applicable law and the statement of Accounts Guidance Notes issued by Electoral Commission.

Income

Income is recognised when all of the following conditions have been met:

- The Party is entitled to the asset;
- There is reasonable certainty that the asset will be received; and
- The value of the asset can be measured with reasonable certainty.

Applying these criteria to specific types of income results in the following treatment:

- Donations of monetary assets and liquid investments are recognised in the Income and Expenditure account on receipt. Donations of notional income are recognised on receipt at the relevant market value of the item or service received with an expense of the same amount being recognised contemporaneously.

2. ACCOUNTING POLICIES - continued

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings - 10 years

Computer equipment - 5 years

Taxation

As a voluntary organisation society, tax is only charged on investment income.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Hire purchase and leasing commitments

Rentals paid under operating leases are charged to surplus or deficit on a straight line basis over the period of the lease.

Pension costs and other post-retirement benefits

Defined benefit pension scheme:

The Party formerly sponsored the Liberal Headquarters 1975 Retirement Fund. As at the year end the scheme was in surplus and had only one deferred member and no active members. In January 2014 the scheme purchased a deferred annuity for the one remaining member and in June 2014 the Party commenced the winding up of the scheme. It is anticipated that the wind up of the scheme will be completed by the end of 2022.

The amounts involved are not reflected in the accounts as they are not material.

Defined contribution scheme:

Contributions to the Party's defined contribution pension scheme are charged to the Income and Expenditure account in the year in which they become payable.

Going concern

The Liberal Democrats (The Federal Party) shares a banking facility with certain other Liberal Democrat entities (the "entities"), and there is a right of set off between bank accounts of the entities. The Registered Treasurer has therefore considered the applicability of the going concern basis of preparation of the financial statements by reference to the aggregated financial position of the entities.

2. ACCOUNTING POLICIES – continued

In addition to stable income in the form of various grants, Short Money, and Cranborne Money, the entities receive income from membership subscriptions and donations. Membership subscription income has been projected forward based on income and renewal levels of relevant prior years. Donation income is inherently unpredictable and comprises regular payments and ad-hoc donations. These income streams have also been projected forward using an historical analysis and conservative forward-looking assumptions. The Federal Party also benefits from occasional legacy income which is unpredictable and difficult to forecast. Legacy income has been included in the projections using the average amount of legacies received over the last five years.

Management has reviewed the aggregated cash flow projections for the entities to the end of June 2024 which indicate that the entities are expected to be able to operate within the currently available bank facility throughout that period. The Party has reviewed the sensitivities around membership and donation income and in the event of a significant decrease will take mitigating actions if necessary.
