1 These are donations to the national TUSC account including donations 'earmarked' by the donor for particular local campaigns (see note 2), whose permissibility has been checked off by the national treasurer. They exclude specific donations to (and withdrawals from) the London and North Tyneside Campaign Funds, established at the 13th June 2012 and 25th October 2023 national steering committee meetings respectively, which are booked in the two accounts and appear in the national accounts through the relevant balance figure.

2 This heading includes money sent to the national TUSC account 'earmarked' for particular campaigns and other payments to candidates' campaigns such as election deposit grants. The only payment made in 2025 was a grant towards deposit and booklet costs for the Doncaster mayoral candidate (£1,000).
