STATEMENT OF ACCOUNTS TO 31 DECEMBER 2008

INTRODUCTION

This Statement of Accounts provides a report on the political and financial activities of the Senior Citizens Party whose registered address and other details are as above. For the purpose of the Political Parties, Elections and Referendums Act 2000 the responsible officers are:

Mr Grahame Leon-Smith, Leader and Nominating Officer
Mr Grahame Leon-Smith, Treasurer (Acting)
Mr Terry Pattinson, Campaigns Officer

REVIEW OF POLITICAL ACTIVITIES

This has been a difficult year for the party. The financial crisis has hit Seniors, especially pensioners very hard, with the result that our subscriptions and donations have been much reduced. We have, however, continued to publish regular newsletters and issue press releases on a wide variety of topics.

MEMBERSHIP

The party's membership remains at approximately 4,000 Members and Associate Members.

CAMPAIGNING

Due to our very limited resources – both financial and human our campaigning has been carried out entirely by email and through our website at: www.seniorcitizensparty.org.uk which cost nothing, but we are still concerned that many of our members do not have computers or access to the Internet and it is therefore extremely difficult to communicate with them. On the positive side most people who are reaching retirement age now have had some contact with computers at their workplace, so in time this situation should improve.

REVIEW OF FINANCIAL ACTIVITIES

Many of our members are struggling to survive on fixed incomes and cannot afford to pay the annual subscription of £12 or to make a donation. We fully understand this and accept them as Associate Members.

RECEIPTS AND PAYMENTS

Details are given in the attached document..

The total assets stand at £1758.23
